

Knock Shrine

...the destination of millions

Knock Shrine is an international place of prayer and pilgrimage where over one and a half million people visit every year. The story of Knock began in August 1879 when fifteen people from Knock village witnessed an Apparition at the gable wall of the Parish Church. Giving their testimonies, the witnesses describe a heavenly vision consisting of Our Lady, St. Joseph, St. John the Evangelist, an Altar, Cross and Lamb surrounded by Angels. The Knock Apparition was a silent one and each of us can find its meaning for ourselves.

Many miraculous cures have been reported at Knock since the Apparition and people still come today in search of healing, reconciliation and peace.

The Basilica of Our Lady of Knock has undergone major refurbishment work and was re-opened in April 2015. Pilgrims can now pray in warm, comfortable and peaceful surroundings.

Services at the Shrine include organised pilgrimages, daily masses and confessions, anointing of the sick, counselling service, prayer guidance and youth ministry. The National Novena to Our Lady of Knock runs from August 14th to 22nd annually.
